"Too bad a shower of rain
can't freshen up people as
it does flowers and grass."

The Antioch Jaycees Installation banquet was held May 6 at Lorenz's Restaurant. Pictured with guest speaker, Waukegan Mayor Robert Sabonjian, are the newly-elected officers. From left, Terry Folbrick (external Vice-President), Brad Ipsen (treasurer), Jim Koppa (director), Ed Roach (secretary), Mayor Sabonjian, Tom Bartell (director), Tony Starcevic (President), Tom Conroy (director), Dale Yoder (internal Vice-President), and Larry Schleddy (State director).

Jaycees Hold Installation Dinner

On Saturday, May 6th the newly re-organized Antioch Jaycees celebrated the creation of their chapter with the group's Board of Directors Installation Dinner.

The dinner was attended by more than 90 persons, the largest such turnout in more than two years for the North East Section, which is comprised of 15 chapters.

In addition to members and their friends guests included Mayor Robert Sabonjian of Waukegan, Mr. and Mrs. Vern Barnstable, Mr. and Mrs. Jack Wells, and the Reverend and Mrs. Donald C. Cobb.

Sabonjian was the featured guest speaker for the evening and delivered information and entertaining remarks, considered by many as appropriate for the kick-off of the new Jaycee chapter. He offered both encouragement and challenge to the young men of the recently revamped group.

Following Sabonjian's address the new Board of Directors were installed. They are: Tony Starcevic, President; Don Yoder, Internal Vice President; Terry Folbrick, External Vice President;

Brad Ipsen, Treasurer; Ed Roach, Secretary; Tom Conroy, Jim Koppa and Tom Bartell, Directors; and Larry Schleddy, State Director.

After the installation ceremony Chapter President, Tony Starcevic spoke to the members and guests, outlining the Jaycees importance to the community.

According to Starcevic the Jaycees occupy a unique position in the Community. "There are many organizations in the village and surrounding area, but the Jaycees are specifically designed for young men between twenty-one and thirty-five."

Starcevic explained that the organization was a form of "proving grounds" for young men of the community to express themselves as leaders. "Young people are extremely concerned and yet, frustrated because they can't do much to change things."

"We are all over twenty-one," he said. "So, we can vote. But sometimes voting isn't enough. It only happens, at the most, on two or three occasions a year. The Jaycees, however, afford us an outlet for continuous work on projects that directly effect the community."

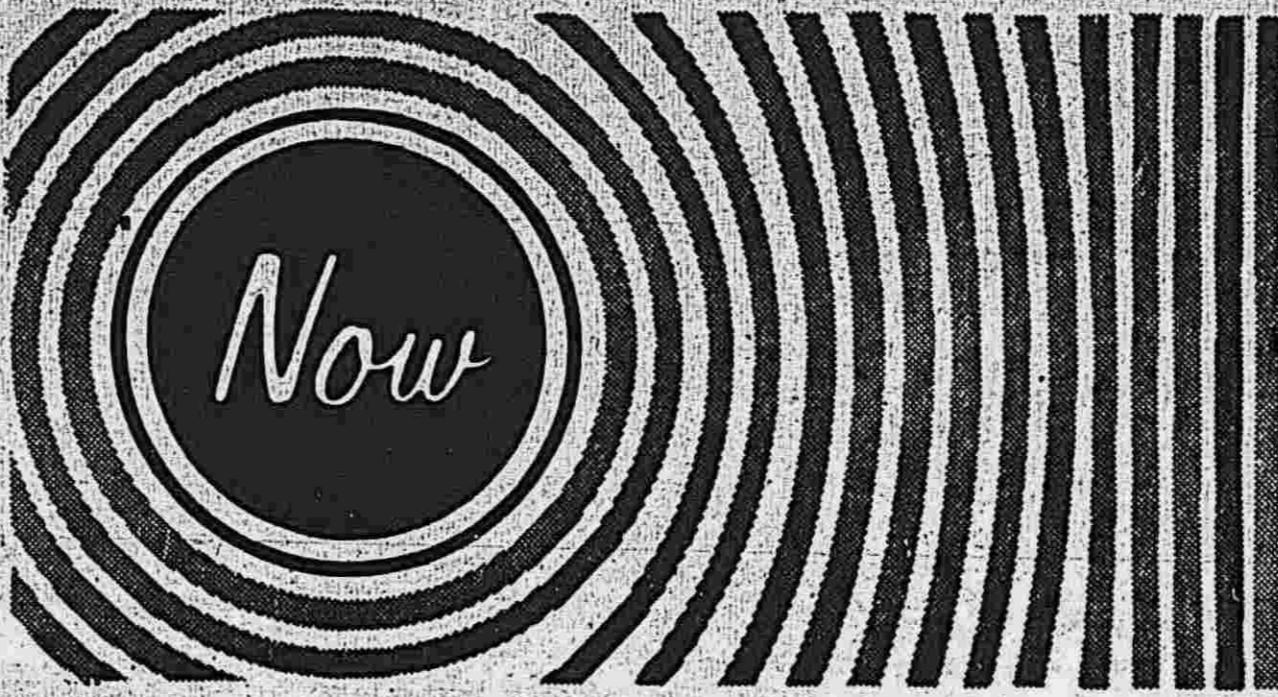

"It's awfully hard," he continued, "for say a twenty-four year old to go into an older organization and try to tell them what he thinks they should do."

Starcevic explained that one of their first community projects may be to send a group of 50 underprivileged youngsters from the Antioch area to a professional baseball game in Chicago.

"Of course, it's all up to the Board of Directors, but this chapter will be doing things in the future."

Plan Commission Issues Split Recommendation

The Antioch Village Plan Commission returned two recommendations to the Village Board following their special May 5th meeting.

While both of the recommendations were in regard to annexation of parcels of property into the village, here the similarity ended.

Board members gave a recommendation approving a section of property owned by Homer LaPlant. The land, 3.4 acres located just south of Rte 173 on the east side of Rte 83 was also granted a recommendation which approved a change in

zoning to R-5, multiple family dwelling.

On the negative side of the ledger, the Commission issued an opinion that land owned by Ted Ozga, should not be annexed for a mobile home park. The land is located near the Wisconsin State Line on the west side of Illinois Rte 83.

Plan Commission Chairman, Robert Bemis noted that the Commission's recommendations were not binding. "We act only in an advisory capacity," he said. However, few can remember the last time a Commission recommendation was dealt a deaf ear by Village Trustees.

An Underdog Has His Say

The dictionary defines an underdog as "one who is expected to lose a contest or struggle." This hazy category includes both the strong and the weak, the inspired and the hopeless.

The co-owner brothers, Vern and Ray Thelen, of Thelen's Sand and Gravel, west of Antioch have currently had the underdog label pinned on them, but neither is talking in terms of losing.

"I don't want to fight them," said Vern Thelen, "but we don't need it here."

The "it" and "them" to which he refers are respectively, the Chain-o-Lakes State Park expansion and the State Department of Conservation.

The Springfield department is attempting to acquire the Thelen's land and to enlarge their park facility. The land in question amounts to approximately one-third of the total area to be acquired.

The fiasco began early last year when the elder Thelen was confronted by a local Forest Preserve employee who chastized him for buying a farm adjacent to his land. According to Vern Thelen the ranger said, "You shouldn't have bought that. You know we wanted it." After checking into the ranger's meaning, he discovered the Conservation Department's plan to acquire his property.

"It caught me completely

VERN THELEN

by surprise," he said. "The farm had been up for sale for twenty years and the Department had lots of time to

make up their mind."

Thelen explained that the issue broke down to a question

NEWSPAPER ASSOCIATION

Our Congressman

result of receiving Federal
funds.

During the first year, revenues distributable to states, counties, and cities would be in accordance with the following formula: (a) one-third on the basis of total population, (b) one-third on the basis of urban population (cities with populations of 50,000 or more) and (c) one-third on the basis of poverty. After the first year, the formula is subject to be revised insofar as local government units are concerned.

Under the Committee's proposal, Illinois would receive a total of \$301 million, with about \$100 million going to the State and about \$200 million going directly to Illinois cities and counties.

There is substantial opposition to the Revenue-sharing measure, both in its general philosophy and with respect to the precise provision of the Committee version. With the prospect of a Federal deficit of \$25 billion or more, Congressman Herman Schneebeli of Pennsylvania, a Member of the House Ways and Means Committee and an arch opponent of the measure, declared bluntly: "The Federal Government has no revenue to share." Committee Member, Congressman Omar Burleson of Texas objects to the idea of "one level of government levying taxes and another level spending."

Despite these objections, there is considerable support for a tax program which is aimed at relieving property owners of the inordinate burden which they have borne. Furthermore, in the collection and distribution of motor fuel taxes and state sales taxes, we already have had extensive experience with Revenue-sharing whereby one unit of government collects a tax and other units of government receive a share of the tax revenues.

Despite the controversy which will occur in the House of Representatives, it is expected that the long-awaited Revenue-sharing measure will pass the House with votes to spare. However, the outcome in the Senate is more uncertain. Senate Committee hearings and Floor action are expected to be quite lengthy -- with political considerations likely to dominate the Senate Floor debate.

This much appears certain: (a) The House of Representatives will pass a general revenue-sharing bill within the next few weeks and (b) the Senate will consider such a measure some time before final adjournment of the 92nd Congress.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

TRIBUTE TO FBI DIRECTOR HOOVER

From his Washington office, Congressman Robert McClosky issued the following statement today:

"We have lost the nation's greatest defender of law and order in the person of FBI Director J. Edgar Hoover. His 55-year career in the FBI, including 48 years as director, have been marked by outstanding performance in the apprehension and suppression of the most dangerous criminal elements in our society. His passing marks the end of an era and the principal task of his successor will be to emulate the record which J. Edgar Hoover established."

Congressman McClosky was present in the Capital Rotunda during the memorial services honoring J. Edgar Hoover. Also, Mr. McClosky participated in the proceedings on the Floor of the House of Representatives in which more than 100 Members of the House delivered remarks on the career and accomplishments of the late FBI Director.

Chief Justice Warren Burger eulogized Mr. Hoover in the Capitol Rotunda ceremonies and President Nixon presented the eulogy at the Hoover funeral service.

Health - A Gift To Protect

Childhood diseases are tragic enough without the added tragedy of knowing the affliction was easily curable.

In most cases, early detection and appropriate care can correct problems that, if undetected, could seriously affect a child's physical and emotional health.

The Lake County Regional Program for Hearing and Visually impaired children is being sponsored in this area by the Antioch Grade School, District 34, with the aid of volunteers from the community.

Children 3 through 5 years old will be registered on Monday, May 15th at the Antioch Methodist Church, 848 Main Street between 9:00 a.m. and Noon, and between 1:00 and 3:00 p.m. At this time, an appointment slip and a teaching game for the screening will be given. Children need not be present to register.

We urge all parents of children in this age group to take advantage of this free service. Your child may have an undetected vision or hearing problem. Be safe.

School Financing Dilemma

There has been much discussion of late, concerning budget cuts undertaken by both the Antioch Upper Grade and High Schools because of financial problems. To date, most arguments have largely centered about the high price of school financing and, to a lesser degree, the amount of misdirected funds and waste that has occurred.

Unfortunately, both of these issues do not strike to the core of the problem. True, they are critically important to the individual taxpayer, but submerged in the tangled mess that is the General Assembly, is a bill that would rob these same taxpayers of even the right to decide school issues on a local level.

The bill would create a statewide school board, made up of four members from Chicago and four from "downstate", to deal with all schools below the college and university level.

To us this appears just one more step down the road toward loss of local control and would appear to be an attempt by this same General Assembly to create a simplified medium to deal with a complex problem.

While the bill does not have the sponsors or partisan

support that it needs for passage, it shows that if the trend of referenda defeats continue there could be radical action taken.

Taxpayers are thus faced with a dilemma: Which is the lesser of two evils? To pay increased taxes or to forfeit local control to a statewide school board.

Neither of these decisions prove very appealing, but the situation does exist that if the school referenda now on the books are defeated, local control could be lost.

Grove School Holds Fashion Benefit

Mrs. Phyllis McMillen of Antioch is preparing an historical fashion show to be presented at the Grove School's outdoor luncheon and antique show at 1:00 p.m. on May 20th. Proceeds from the day-long program will benefit the school's fund drive for a residential building for in-patient care.

The program is entitled "An Afternoon in Old Illinois" and will feature Mrs. McMillen's unique vignettes of outstanding women in history. Highlights of the performance will be eight White House brides, comedy skits, two mock weddings and a host of other dramatizations interwoven around the historical theme.

In addition, many of the wives of Lake County Mayors have been invited to attend, dressed in costumes particular to the era when their cities or villages were incorporated.

Mrs. McMillen has done scores of historical shows and is well known for her authentic costumes. "All of my shows are different," she said. "I haven't done a show in quite a while now, but when I heard about the Grove School day, I just had to do one more."

Proceeds from the days activities will be matched by the W. W. Grainger Foundation, the school's special patron. School officials expect approximately 700 guests for the program.

Starting time has been listed as 1:00 P.M. Ticket information is available by calling the Grove School.

JUNE 1ST DEADLINE TO APPLY FOR FINANCIAL ASSISTANCE FROM ISSC

Illinois youth wishing to enroll in a public or private college in this state during the 1972-73 academic year have until June 1, 1972 to apply for financial assistance from the Illinois State Scholarship Commission (ISSC) through its Monetary Award Program. The Commission, an agency of state government, provides awards of up to \$1200 per year toward the tuition and fee expenses of citizens who enroll at any of the 175 approved colleges, universities, and hospital schools of nursing within the state. The awards are based primarily upon need, and are renewable through four years of undergraduate study. In the coming year ISSC hopes

to make awards in excess of \$50 million to Illinois college-bound youth who have financial need.

Application forms for the Monetary Award Program can be obtained from local high school or college counselors, or by writing directly to the Illinois State Scholarship Commission, P.O. Box 607, Deerfield, Illinois 60015.

The Commission encourages

graduating high school seniors and others who will need financial aid for college next year to apply also to the Director of Financial Aid at each college campus to which admission is sought. In most cases in which a student has high need, he is eligible for special programs of assistance both from the Commission and from the college.

Candlelight Installation Banquet For Newcomers

On May 3rd, the Newcomers club held the election of officers at their annual meeting held at the Methodist Church. The president is Lois Matthews - First Vice President, Pam Hill - Second Vice President - Yvonne Dyer - Recording Secretary, Evelyn Kresanek - Corresponding Secretary, Evelyn LaFata - Treasurer, Susan Albrecht - Historian, Betty Baker. After the long business meeting the ladies settled down to enjoy brownies, coffee and a social hour.

On May 20th a Candle Light Installation of Officers Banquet will be held at The Arbor in Lake Bluff. This will be for members and their husbands or any newcomers that wish to join the club and have their dues paid before May 20th. Tickets for the family style dinner are \$5.00 per person. All reservations must be made by May 17th. Make reservations by calling Evelyn LaFata - 395-6044 after

Noon or Lois Matthews - 395-3063.

Since this is the beginning of a new year for the Newcomers club they are having a membership drive. Anyone who has moved into the Antioch area within the last year is most welcome to join the club and get to meet all of their new neighbors of the community.

Some of the clubs activities are business meeting luncheons, trips to places of interest, picnics, dinners, bowling parties and card parties. These are just some of the many activities planned for the coming year. So all new people come and join the fun and meet all your neighbors!

Meetings are held at the Methodist Church at 8:00 P.M. on the first Wednesday evening of the month. For additional information phone the Hospitality chairman Yvonne Dyer, 395-5412 or the Coffee chairman, Betty Baker, 395-3650. We hope to see you all soon.

AN UNDERDOG HAS HIS SAY

Continued From Page 2

of economics. "There are four companies housed on the land. In addition to our plant there is also an International Harvester Proving and Testing Grounds, the Skokie Valley Asphalt Company and Ziegler's Plumbing. The creation of a park, in wages alone, would mean the loss of nearly a million dollars."

"When you think of our gravel reserves and the effect their loss would have on other operators and the consumer, the sum could be staggering."

Thelen explained that the archeologic formation that contains the gravel is only partially recoverable now. "Part of the gravel is under land used for a ski hill, another section is under housing and part is under the existing park itself. If they were to take my land, the products I produce and my reserves would be lost. This would put a terrible strain on other producers reserves." He said that their reserves would deplete much earlier, thus driving up the price for the contractor, and so eventually the homeowner.

"I'm afraid to even guess what it would eventually cost."

He went on to say that his

land once depleted of gravel, in 40 to 60 years, would be easily converted to industry because of their zoning. "The land is and would continue to contribute all kinds of tax money to seven school districts." (Lotus, Richmond, Spring Grove and Antioch Grade Schools; Richmond, Fox Lake and Antioch High Schools). "If the land was used as a park there wouldn't be any taxes for the school."

Besides personal property tax, the Thelens also pay corporation, real estate, gasoline and road use, sales and income taxes, plus a license fee. All of which would be lost if his land were converted into a park.

"What really bothers me is the fact that I started out in 1947, a boy of 22, with \$1800 and my brother and I have built this place from the ground up. If they took it, there's no way we could get back to this point again."

"We've still got fifteen or twenty real good years left. You can't take away a man's life work, his ambitions, his future."

A MOTHER'S MEMORIES

...her greatest joys!

Mothers are the nicest people... so warm and sweet and giving! So busy being mothers there's little time to enjoy it until children are grown and gone. That's when mothers really appreciate fine professional portraits of children and grandchil-

dren. Honor your Mother this May with portraits of her own, dearest posterity. It's quite the nicest kind of giving.

Time to remember with portraits

World Communications Day and Cardinal Cody's Anniversary Celebrated

The sixth annual observance of World Communications Day, on Sunday, May 14, will include two "firsts" in the Chicago Archdiocese. A special Mass for members of the media, previously held in the chapel of Quigley Seminary, North, will take place this year in Holy Name Cathedral (State and Superior Streets) and will be open to the public. It will be the regularly scheduled 5:15 p.m. Mass, with attendance by

some 800 parishioners anticipated. This year the date of the universal observance also coincides with the 25th anniversary of the naming to the Episcopacy of John

Cardinal Cody, Archbishop of Chicago.

The Mass will be followed by a reception for media guests in the Camellia House of the Drake Hotel. At the reception, Cardinal Cody will present the 1972 Chicago Archdiocesan

Communications Scholarship to the winning student. This is a \$6,000 scholarship (\$1,500 annually for four years) given to a graduating senior of an Archdiocesan high school who is interested in pursuing a degree in communications. The winner will be selected from among six finalists who are being interviewed this week by a panel of judges.

Theme for this year's world celebration is "The Communications Media at the Service of Truth."

Along the Way with

Annie Mae

PM&L opened Friday evening to a full house. A very entertaining evening was had. If you missed it, you have two more week-ends to see WAIT UNTIL DARK. Make your reservations now.

A "Bundle of pink" joins the household of ROD & KAREN WHITE. KIMBERLY PAGE was born May 3, and joins her parents and 3 brothers at home on Highland Ave.

At least the bad weather held off long enough for the LITTLE LEAGUE tryouts on Saturday. We won't mention our "sunny" Sunday we didn't get! WHEN will the warm weather come? The LIONS CLUB had a wet pool on Sunday but didn't get a chance to paint it and get it ready for the summer. Good thing they had a rain date.

Hats off to our RESCUE SQUAD on their new program to help suspected heart attack victims. These men devote many long hours to training, with no pay but the satisfaction of knowing they may save a life.

The Junior Class Prom was well attended, and each and everyone looked lovely. King, MIKE HARVEY and Queen SANDI STEWART beamed from ear to ear as they were crowned.

Belated Happy Anniversary goes to LYNNETTE & RON BRATZKE. They celebrated No. 1 on May 1. More happy go to AL & MARILYN ROTH on May 10; to BILL AND MARY CARNEY on May 13; and BERNIE AND SHIRL GUTOWSKI on May 14. Many, many, many more!

Happy birthday to JIM HARVEY on May 8; to SUE FORBRICK and VIRGINIA HOWARD on May 10; and to NANCY TRAYES on May 14.

The JAYCEES had their

installation dinner on May 6. Sounds like the newly organized club is starting off right. There was a large attendance on hand to hear the guest speaker, MAYOR SABONJIAN, who keeps any gathering entertained.

Hear that BOB & JOANNE CUNNINGHAM moved into their new home on Anita Ave last Saturday.

A deputy registrar will be available at the Antioch High School on May 12 to register all 18 year olds so they can vote. Hours are 10:30 to 12:30.

Hear tell Denny Volling won a bicycle at the Zayre's Grand Opening in Round Lake the other day.

Get well wishes go to DELORUS MOLGARD, MARGE WARNER, MRS JOE HORTON and BILL LASCO. Guess the flu bug has bit many people in town too. DON AMUNDSEN knows that well, as does DIANE WAGNER, and LORI RUSH. With this weather - LOTS of sore throats!

I hear that the Antioch News was unknowingly partly responsible for the winning streak of the bowling team TEN-PIN TOPPLERS. They were champs and came in 1st out of 20 teams. Loyalty wins out - seems that one gal always wore an old Antioch News shirt for luck - and it worked, even for the tournament, it must have been the lucky charm. The Ten-Pin Topplers is sponsored by the A & B PRINTING SERVICE, which you all know is now a separate entity from the News. We are always willing to cooperate tho.

Happy Mothers Day to all you Moms! Hope you get breakfast in bed.

Annie Mae

WOMEN'S CLUB OFFICERS

May 1 was the closing luncheon date for the Antioch Women's Club for this year. Installation of officers for the coming year was held following the luncheon at the Iron Kettle.

Mrs. W. C. Petty conducted the induction ceremony for the new officers who are left to right; Mrs. Frank Benes, Recording Secretary; Mrs. Charles Watson, Vice-President; Mrs. Anton Stanich, President; Mrs. O. W. Turner, Corresponding Secretary; and Mrs. Howard Stromberg, Treasurer. (Staff photo)

Woman's Club Awards Scholarships

The closing meeting for the year was held by the members of the Antioch Woman's Club at a luncheon on May 1 at the Iron Kettle. After the buffet a short business meeting was held. October 3rd was the date set for members to be hostesses for the birthday party for residents of Lake County Home who have birthdays in October. Gifts and refreshments will be provided by the club. Two projects: the TB X-Ray program and Doughnut Day will be coming up this summer. Twenty seven new members were welcomed into the club during the year.

Mrs. W.C. Petty conducted

the induction ceremony for officers and committee chairmen for the 1972-73 season: Mrs. Anton Stanich, President; Mrs. Charles Watson, Vice President; Recording Sec'y, Mrs. Frank Benes; Corresponding Sec'y, Mrs. O.W. Turner; Treasurer, Mrs. Howard Stromberg.

Scholarships were awarded to the following students: Gayle Manuel, Chorus; William Gobel, Bank; Diane Fischer, Alice Smith Award; Diana Rentner, Conservation; Pamela Sue Rausch, Art.

A Certificate of Outstanding

Achievement was presented to the Woman's Club by the 10 District for having the largest number of new members.

Mrs. Donald Mentone presented as the program, Miss Muriel Bach in "One Woman Theater." In a most interesting manner, she chose to tell unusual facts about Presidents and First Ladies.

Mrs. Betty Mentone received the door prize. Gifts were presented to the club members by Antioch Drugs and First National Bank. Mrs. Clarence Kufalk and her committee were hostesses.

Methodist Mother - Daughter Banquet

Happiness is - A Mother - Daughter Banquet! Or so members of the Wesley Evening Circle feel as they play their annual Mother - Daughter Banquet at the United Methodist Church, Friday evening, May 12, at 6:30 P.M.

Girls of the third and fourth grade Sunday school classes will spread a little happiness in song and Aileen Biel will do a command performance of her hit "Ballade." Other entertainment includes a mother - daughter piano duet and romantic duets by Ken and Betty Smouse.

Ticket reservations are being handled by Bev Sorensen at 395-0897.

Time To Think Summer!!!

COLLEGE OF LAKE COUNTY Summer Session

JUNE 12 THROUGH AUGUST 7, 1972

There's something for most everyone in CLC's eight-week summer session including courses in business, child care, English, history, math, music and the arts, natural sciences, social sciences, and speech.

Fine Arts Festival This Saturday

The Fine Arts Department of Antioch High School will present a Festival of Fine Arts, Saturday, May 13, at 7:30 p.m. in the High School Auditorium.

All segments of the department will take part in this Spring Festival. The instrumental department will present the Concert Band and the Wind-ensemble; Vocal music will be Freshman Girl's Chorus, All School Chorus, and the A-Cappella Choir. Drama will do a short one-act play, and the Art students will have a display in the halls.

At the conclusion of the Festival, awards will be presented to those students who have distinguished themselves throughout the past year.

We invite everyone to attend this program as our guests. There will be no admission charge for this last program.

"WAIT UNTIL DARK"

A FINE MYSTERY

The PM & L Players are not obliged to make any apologies nor think up any excuses. "WAIT UNTIL DARK" is their first mystery drama, tis a mystery why they waited so long to render such an exciting, chilling and "all-pro" production.

The author, Alfred Hitchcock, of volumes of spine tingling mysteries would often apologize for only one corpse in his drama. This was not the case at the PM & L theatre because there were two fatal cases in "WAIT UNTIL DARK".

Mr. Talman and Sgt. Carlino could have recently completed another great drama of stage and screen - "The Godfather". You know what I mean - them ex-cons; they's smart and shrewd and tuff; they got hair on the chin and not on the head; they speak with the accent and got friends.

Then you take Harry Roat Jr., he walked just like Harry Roat, Sr. and that made him suspect. He was a diabolical schemer and he paid for it.

Susie Hendrix - the blind girl - performed flawlessly. A great feat for Dena Fabry. She is entitled to the Palette-Masque & Lyre award for best actress of the year.

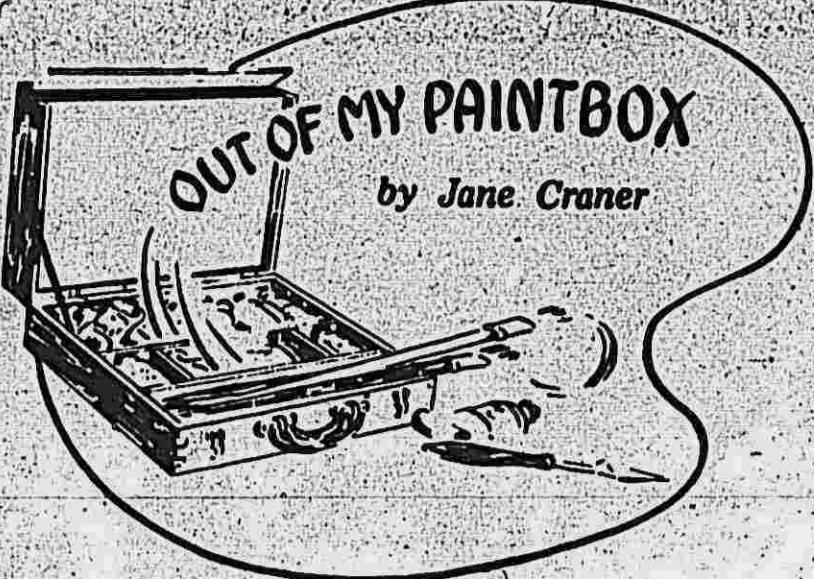

Little Gloria was a mischievous young imp and the audience rejected her as she defied Susie. Later the audience thought Gloria "a little honey" as she and Susie outsmarted the trio.

Sam Hendrix was just an efficient husband. His disciplinary measures for his blind wife - Susie - were essential to the plot.

Policemen are policemen. My rating of "Wait Until Dark" - a great drama enacted by a talented cast to delight and thrill every age.

Congratulations Cast and Crew.

Chuck Becker

COMPOSITION..... The meaningful arrangement of parts within a given area. This simple meaning could be used for many arrangements, furniture in a room, flowers in a vase, shrubbery in a yard, or even dishes in a cupboard. Here

we are concerned with arrangement of parts within a picture, though understanding what constitutes good composition for pictures, perhaps could apply to other arrangements, even music.

Let us consider some terms

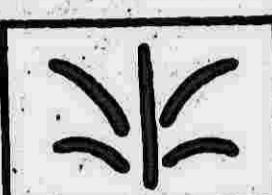

used in composition. The basic elements of design are line, shape, form, color, value, and texture. With these we compose all kinds of works of art, such as: line drawings, sculptured forms, paintings with color and texture, etc. It is how we arrange the forms, the colors, values, and textures that should be meaningful. This is composition. There are five principles of arrangement to help us make good compositions: balance, dominance, harmony, contrast, and movement. These are explained below using line, though you should realize they apply also to the other five elements, for we should balance color, contrast forms,

have movement of shapes, just to mention a few.

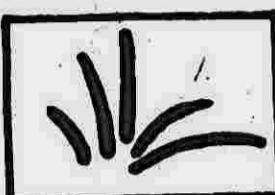

The important clue to good composition is that the arrangement be meaningful. If you want to imply utmost dignity and formality, your picture would be arranged as Grant Wood's "American Gothic" - Formal balance, Static movement, Extreme harmony. The use of discord, varied movement and extreme contrast would be necessary to do scenes of a Mardi Gras, war or riots. Study the Old Masters by laying tracing paper over the pictures and tracing the important lines and masses, and you will see how they achieved expressive and meaningful compositions.

THE PRINCIPLES OF ARRANGEMENT

1. BALANCE: WEIGHT DISTRIBUTION

FORMAL

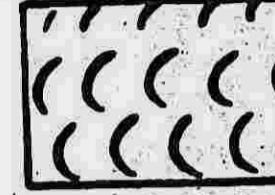

INFORMAL

4. CONTRAST: VARIETY OF SIZE, SPACING, ETC.

VARIETY

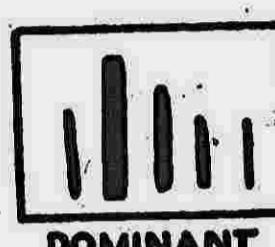

MONOTONY

2. DOMINANCE: ONE OUTSTANDING PART

NO DOMINANT

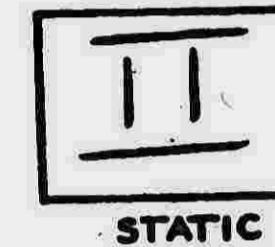

DOMINANT & SUBORDINATES

5. MOVEMENT: PATH OR DIRECTION

VARIED

STATIC

3 HARMONY: SIMILARITY

HARMONY

DISCORD

Happy composing.

Next week: AVOIDING COMMON ERRORS IN COMPOSITION

New Voters Registration Cards

The County Clerk's Office today announced that new Voter's Identification cards will be mailed to every registered voter in Lake County during the month of June.

"We hope that everyone who has moved since the last ones went out in 1970 and who has not notified our office of their new address, will do so immediately," said Pat Kerr, who heads up the Voter's Registration section of Grace Mary Stern's office. "That way we can get the changes into our records before running the new cards on the computer. We can save all kinds of money for the County and the taxpayers if we run the new cards correctly the first time."

By getting the changes into the hands of the Voter's Registration Office within the next ten days, the County can save considerable funds that would otherwise go to the reprinting of corrected cards as well as the postage expended for sending them to obsolete addresses, retrieving them from the Post Office, and sending out follow-up canvass letters to ascertain the whereabouts of the voter.

It's a good cause. Check your card today and fill in any changes that have taken place within the county on the back of that card, and mail it at once to the County Clerk's Office, Waukegan, 60085. The money you save by doing so is partly your own.

American Legion Post 748 Commander, James Ferrier and Woman's Auxiliary President Mrs. John W. Horan watch as Antioch Mayor Ray Toft signs proclamation naming May 19th and 20th as Legion "Poppy Day". (Staff Photo)

American Legion Poppy Days

The Illinois American Legion and the Auxiliary work together on the poppy Days program, as does the Antioch American Legion and their Auxiliary. One of their slogans this year is THE VETERANS HAVE THE WILL, WE HAVE THE WAY, TO TELL THE POPPY STORY, EACH AND EVERY DAY. Much emphasis is put on the poppy program as the proceeds from the American Legion Poppy are important to veterans, who are either hospitalized or disabled. Each veteran is paid for the poppies he fabricates himself, thus bringing him the satisfaction of earning needed money.

These small red flowers came into being following the conclusion of World War I, since the scarlet poppies covered many of the graves of the war dead. Each year, they

make their appearance in the days near Memorial Day. They are made by hospitalized veterans in Illinois and after these veterans receive their remuneration, the proceeds from the poppies distribution remain in the community and are used exclusively in children and youth and rehabilitation service work for the veteran and his family.

Mrs. Ray Rathmann, poppy chairman of the Antioch American Legion Auxiliary NO. 748 is asking for volunteers to assist her in the distribution of the poppies. She hopes that when you hear the question "WON'T YOU WEAR A POPPY?" on your street, that you will wear it proudly. Those tiny red petals signify your respect for those who have given their lives that we may still enjoy the freedoms we do. Poppy Days are May 19th and 20th.

"As the years pass, we sometimes forget what we owe to these men who have fought

for us. Any assistance we are able to give through the combined efforts of the Antioch American Legion and the Auxiliary, plus the general public will be appreciated." Please contact Poppy Chairman Mrs. Ray Rathmann at 395-3333 or Mrs. John W. Horan, Unit President, at 395-1292 for further information or to offer your assistance.

At the May 1st meeting of the Antioch Auxiliary, held in the Antioch American Legion Home, three Gold Star members were present - Mrs. Myra Randall, Gold Star Mother; Mrs. Ralph Fields and Mrs. Ollie Tweed, Gold Star Sisters. They each were given gifts from the Unit by Mrs. Earl Horton, Gold Star Chairman. Mrs. Horton, Mrs. Barney Nevelier and Mrs. Al Sodman had a lovely party for these honored members.

Distinguished guests were Mrs. Joseph Hogue of Waukegan, 10th District President; Mrs. Everett Ainsworth, Lake Forest, District Vice President; Mrs. Norman Holt, No. Chicago, District Historian; and Mrs. Ray Rathmann, Antioch 2nd Division President; Mrs. Rathmann and Mrs. Hogue gave short speeches praising the Antioch American Legion Auxiliary for their many achievements.

Mrs. Edward Jahnke was elected a delegate to the Second Division Convention, to be held June 11th, at Glen Ellyn.

Mrs. J. W. Horan, President, announced that there are still a number of cook books available. Anyone wishing to purchase one, should contact her. The proceeds realized from the sale of these cook books will go to further the many worthwhile programs of the American Legion Auxiliary.

Election of officers will take place at the June 5th meeting. Mrs. Rathmann is chairman of the nominating committee, with Mrs. Lillian Hand, Mrs. Joseph Horton, Mrs. Ralph Fields and Mrs. John L. Horan as committee members. They will present the slate of officers for the June meeting.

Mother's Day Plate By Lladro Of Spain

One of the World's most beautiful plates. Mother Bird and Her Nestlings sculpted in mat white bas-relief porcelain and rimmed by a pale blue border edged in gold. A Lladro of Spain masterpiece. Limited Edition, \$27.50.

4 H Club on Ecology Hike

Did you know that May 8-15 is Clean-Up Week in Antioch? Well it is, and the Antioch Chiefs and Squaws 4-H Club is going to do something about it. On Saturday, May 13, we are having an Ecology Hike. This hike isn't only for the Chiefs and Squaws but for ALL kids interested in helping to make Antioch a clean town.

If you are interested meet at the Antioch Pool at 1:00 on Saturday, May 13th ready to clean-up Antioch.

It would also be appreciated if all the merchants of Antioch would help by donating large trash bags. If you want to help call Mrs. Auxier at 395-5648.

Social Notes

by Del Jahnke

Joe La Sata, Larry Laff, Bob Bunker and Steve Guardia played their "combo" of three guitars and a drum, at the Grass Lake Grade School Spring Dance, May 5th. They have been invited to play again on May 12th for the Lake Villa Intermediate School Dance. These enterprising young men call themselves "Sumpin' Else". Joe La Sata is a student at the Grass Lake Grade School, and the other three are students at the Antioch Community High School. LOTS OF SUCCESS, SUMPIN' ELSE!

Very sorry to report that Mrs. Joseph Horton underwent serious surgery at Victory Memorial Hospital recently. Get well wishes will speed her recovery!

Mrs. Ed Jahnke, Jr.'s mother, Mrs. Russell Welch of Round Lake, had emergency surgery at St. Therese Hospital, May 6th. This day was Ed, Jr.'s birthday, but they spent it in the hospital. May your mother soon be completely well, Patti!

The District Three Meeting of the Rebekahs will be held at the I.O.O.F. Hall in Waukegan, with the Libertyville Rebekah Lodge as hostesses on May 11th. This meeting is a day and evening affair, starting at noon. Both luncheon and dinner will be served at the IOOF Hall. Mrs. Ida Wysoglad, Mrs. Clarence Larson, Mrs. Charles Ferris, Mrs. Wayne Jones, Mrs. Walter Buchert, Mrs. Frieda Wertz and Mrs. Clarence Perkins from the Lakeside Rebekah Lodge will be participating in a Memorial Service that day.

SEQUOIT SMOKE Signals

Last weekend will be long remembered by many but especially by two particular people, SANDI STEWART and MIKE HARVEY. Sandi and Mike were crowned King and Queen at the Mardi Gras Ball Saturday night. I think everyone there had a really neat time; the band was good and the decorations created a great atmosphere. Over a hundred and twenty couples enjoyed the evening. Post-Prom got dampened a little by the weather but those who went were still able to enjoy the movie and some extra dancing. Some brave souls even went swimming but I hear it was more like a steam bath than a cool refreshing swim!!

Last Friday STUDENT COUNCIL sponsored a movie for the upper-classmen. The Bedford Incident was shown during second and third hours. It was pretty interesting and in a way scary because it showed how a nuclear war really could result from an accident. Not such a pleasant thought!

The track team participated in the Lake County meet this Saturday. Antioch can be very proud of GARY MANDEHR who took first place in the county in both the mile and the 880 Run!

The SOPHOMORE class is beginning to look forward to the upperclassmen status. They ordered their class rings last week. There were really a lot of nice styles to choose from!

This week at Antioch is also STUDENT COUNCIL week. The new officers will be elected and also the class officers. This is always a fun time with the campaign posters and speeches and such. Be sure to get involved in it.

Well, see you next week.
Barb

HAMMOND ORGAN SOCIETY TO MEET

The Lake County Hammond Organ Society will be entertained Tuesday, May 17th by Al Jilly, popular supperclub artist. Recently of the Sportsmans Lounge. The program will be at the Gurnee American Legion Hall at 7:30 p.m. Refreshments will be served and the public is invited to attend.

"NIGHT IN ITALY" AT SABATINI'S

Old World Cooking, a favorite of many diners, will return again to Sabatini's. Every Wednesday, May through September, will be designated "Night in Italy". Mama Sabatini, with the help of her two sons, Joseph (pictured) and Ralph, will send out a delightful arrangement of Italian specialties - Tripe, Bacala, Beef Burgundy, Chicken Cacciatore, Fried Polenta, Lasagna, Manicotti, Sausage and Meatballs, Calamari, Stuffed Shells Quo Vadis, Ravioli, Risotto, Chicken Florentina, Egg Plant Parmigiana, Pasticcio and a selection of salads and appetizers. You are welcome to sample each of these favorite dishes at the buffet - and as many times as you wish. (staff photo)

Happiness is saying Thanks

Everybody everywhere seeks happiness, it's true, but finding it and keeping it seems difficult to do. Difficult because we think that happiness is found only in the places where wealth and fame abound. . . And so we go on searching in "places of pleasure". Seeking recognition and monetary treasure, unaware that happiness is just a "state of mind" . . . within the reach of everyone who takes time to be kind. . . for in making OTHERS HAPPY we will be happy, too, for the

happiness you give away returns to "shine on you."

This past week Happiness is shining on the dance committee for the 7th Annual Mental Health Cotillion. Hours and hours of planning have now turned into dollars which will benefit the handicapped children of Grove School and Lamb's Farm. The committee expresses their gratitude to everyone who helped make this event such a success. Special donations were made by:

A & B Printing; Ace Hardware; Antioch Lumber &

Coal; Antioch News; Antioch Reporter; Antioch Savings & Loan; Mrs. Marie Boecler; Ron & Lynn Brice; Mr. & Mrs. Frank Colette; First National Bank; Frosty Foam; Mr. John Gabriel; Mr. & Mrs. Mike Haley; Mr. & Mrs. Ed. Jacobs; Mr. & Mrs. W. Kozio; Pickard China; Quaker Industries; Mr. & Mrs. Gerald Risch; Mr. & Mrs. Carl Seemann; State Bank of Antioch; Mr. & Mrs. John Teresi; Wilton Electric; Dr. Biron; Don Pittmann; Dr. Resnik and Dr. Williams

Dortmunder Inn

The question of where to find a different and exciting place to exercise your taste buds, comes up with some regularity in our fast-paced and varied interest society. One answer that is sure to prove fitting is the DORTMUNDER INN.

Located one mile west of Antioch on Illinois Rte 173, the friendly and comfortable spot is a veritable bit of Germany translated in the United States. The Inn is a pleasant combination of Old World tradition and New World charm.

The interior decor is softly lit and appealing. Large delightful booths are gaily surrounded by the coats of arms of over forty German cities. Each is hand painted and was created with great care in detail.

In the central dining room, the colors are warm and gently muted. The style is fresh and lively with a premium put on space and comfort for the patrons.

The menu is varied and contains many traditional American dishes. However, the DORTMUNDER INN is generally considered a German cafe' and has become well known for its continental cuisine.

Old World favorites on the menu include Wienerschnitzel, Smoked Thueringer, Bratwurst, Beef Roulade (Pigs in a blanket), Westphalian Ham and several lesser known, but equally delicious entrees.

STRAMMER MAX - hot ham sandwich with fried eggs on rye bread.

Farmers Breakfast - scrambled eggs, ham, German fried potatoes and onions, mixed and pan fried.

The owners, Helmut and Donja Hauser are also justifiably proud of their Goulash soup, which, although not of German heritage contains the same hearty and robust flavor.

The DORTMUNDER INN also has a fine variety of imported German beverages. The beer on tap is the world renowned DAB or Dortmunder lager. Included on a list of fine wines are Moselblumchen and Liebfraumilch. Those with the desire for a more lively drink are advised to try Asbach - Uralt and Dujardin brandy.

Entertainment at the Inn is provided by a medley of authentic German recordings and piped in FM music. The Hausers also plan to add a special entertainment feature in the near future.

And so, if pleasant dining with a German flair is your answer to the question of dining out try the DORTMUNDER INN.

Sleepless Weekend For Troop 124

Camp Morrison was the site of many blurry eyed Girl Scouts and leaders the weekend of April 28, 29 and 30th. The leaders consider themselves lucky the girls only received minor injuries, it was the leaders who received the most injuries. But fun was had by all, and I'm sure the girls slept good for their parents Sunday night. The girls in Troop 124 are: Carol Buccieri, Lynda Buckingham, Sharon Chasar, Hiedi Force, Sherril Gers, Mary Ann Guzowski, Donelle Jankousky, Laura Jandousky, Linda Kelley, Margaret Koenig, Karen Leland, Carla Lytitainen, Connie Lytitainen, Colleen O'Leary, Kathy Oddsen, Beth Stickler, Dawn Stowell, Denice Thornburgh, Sheri Weber,

Anita Wegel and Sandy Young. The leaders were Mrs. Chasar, Mrs. Lytitainen, Mrs. Weber, and Mrs. Wegel.

Art Fair At Grass Lake School

by Del Jahneke

The Art Fair at the Grass Lake Grade School will soon be here! Monday, May 15th, at 7:30 p.m., the art exhibits will be displayed in the school gym. This event is sponsored by the Grass Lake School P.T.A., with Mrs. Dietrich Kiemle as the general chairman. The P.T.A. hopes that all the students in the school will participate in this program. There are five categories in which these young people may display their talents - painting; drawing; creative projects; weaving; and ceramics. Cash awards will be given the first, second and third place winners in each category. Here's an Art Show NO-ONE should miss seeing!

At a recent meeting of the P.T.A., election of officers was held. Mrs. Jacqueline Montgomery is President; with John Steitz, Jr., as Vice President; Mrs. Nate Armstrong as Secretary; and Mrs. Robert Dunlap, Jr. as Treasurer.

The Athletic Banquet will be held on May 11th at the school, with dinner at 6:30 p.m. Graduation dinner will take place again at Grass Lake Grade School on May 25th.

A Teacher's Appreciation Luncheon will be held on June 5th at Lorenz' Country House. An historical fashion show of teacher's attire will be given by the noted Mrs. James McMillen.

Take a walk along the Prairie Path.

The Illinois Prairie Path is 30 miles of hills, trees, butterflies, birds, shrubs, and streams. Starting near Elmhurst, it branches its way northwest towards Elgin, and southwest towards Aurora.

But it wasn't always this way. Just a few years back, the Prairie Path was 30 miles of rusting refrigerators and worn-out tires along the old Chicago, Aurora and Elgin Railway line.

In 1963, naturalist May T. Watts

first had the idea to redevelop the land. To clean up an old right-of-way, and let things grow. To make a walking trail that didn't look or sound or smell like the city.

In 1967, things began to happen. The Illinois Prairie Path leased a strip down the middle of the old railroad right-of-way from DuPage County. Sharing rights with Commonwealth Edison throughout the strip, the Illinois Prairie Path was thus assured the use of 30 miles for redevelopment.

We think there are more things to this world than just highways, sidewalks and skyscrapers. Take a walk along the Prairie Path and enjoy them.

Commonwealth Edison
concern for your total environment

Grove School Opens Summer Registration

The Grove School at Ridge Farm in Lake Forest announces registration forms for the eight week summer program are now available for children not currently registered in the school's day program. Summer school is open to all handicapped children who can profit by a summer of tutoring and training in a formal and recreational situation.

Summer session begins Monday, June 19 and ends Friday, August 11. Fees are all inclusive for the eight weeks.

Children from the ages of 3 to 21 are accepted. Lunches will be served and transportation is available to areas in Lake County and along the Chicago North Shore. Classes are daily from 9 a.m. to 2 p.m.

Classes are offered for severely handicapped and youths with minimal learning disorders, as well as those showing evidence of emotional difficulty due to learning disorders. The Grove School summer program is wide and varied with classes for the deaf, trainable, blind, spastic children, and children with speech problems. In addition

to the academic program, the children will have classes in music, art, motor work, gym, and swimming. Children are taught in a ratio of four children to one adult.

High school and college students seeking career experiences for special education may volunteer for the summer program. Registration forms can be had by calling the office at 234-5540 between 9 to 2 p.m.

The Grove School is an educational treatment center for the handicapped children. It has served the North Shore and Lake County area for thirteen years.

PTA MEETING MONDAY

The final meeting of the Antioch Grade School P.T.A. will be held on Monday, May 15th at 8 P.M.

The program will include the election and installation of Officers for the coming year.

First Grade Room Mothers are planning to serve refreshments.

Obituaries

MR. ARTHUR E. BENNETT - 86 Years Old of Twin Lakes, Wisconsin and formerly of Lake Villa, Illinois passed away on Friday, May 5th at Mt. Carmel Nursing Home in Burlington, Wisconsin. He was born on June 4, 1885 in Chicago, Illinois and then moved to Lake Villa in 1939, and to Twin Lakes, Wisconsin in 1967. Mr. Bennett is a retired chemist by occupation, and was the proprietor of Arthur E. Bennett, Inc. from 1929 to 1940 where he manufactured Aromatic Chemicals for cosmetic and soap manufacturers. He was also a registered Pharmacist in the state of Illinois. He served as Republican Precinct Committeeman from 1950 to 1967 at Lake Villa. He was the organizer of the Lake Villa Township Republican Club. He served as Lake Villa township Supervisor from 1945 to 1952. Mr. Bennett served as president of the Lake Villa Township Fire Protection District, served 9 years on Antioch High School Board, Director of the Lake Villa Trust and Savings Bank from 1948 to Sept. 1962. He was a Food Inspector for the state of Illinois under Governor Stratton. He is a member of the following organizations: Millburn Masonic Lodge No. 127 A.F. & A.M. - Waukegan Commandery No. 12 K.T. - Waukegan Chapter No. 41 Royal Arch Masons - Medinah Temple A.O.N.M.S. (Chicago) - Lake County Shrine Club - Past Patron and member of Millburn Chapter No. 570 Order of Eastern Star and is a life member of the Lake Villa Lions Club.

He married Sara E. Curney on March 30, 1930 in Chicago, Illinois and she preceeded him in death on January 8, 1972. He was preceeded in death by 2 brothers Frank O. Bennett and David A. Bennett. He is survived by 1 sister Mrs. Helma Anderson (New York, N.Y.) and by 2 nieces.

Funeral services were held at 2:00 P.M. on Monday at the Strang Funeral Home in Antioch. Interment was in Ridgewood Cemetery at DesPlaines, Illinois.

MR. ALBERT M. FAU - 57 years old of Bluff Lake, Antioch formerly of Cicero, Ill. passed away Monday May 8, 1972 at his home. He was born July 7, 1914 in Chicago and lived in the Chicago area prior to moving to Antioch 3½ years ago. Mr. Fau was a member of the V.F.W. Post No. 1485 at Cicero, Ill. and Teamster Union Local No. 728 of Chicago. He has worked for the past 33 years as a Rotogravure Press Man for the E. J. Brach's & Sons in Chicago. He married Rose Mraz on February 19, 1938 in Cicero.

Survivors are his wife Rose; 1 Daughter: Mrs. John (Carol) Psomas (Fox Lake, Ill.); 1 brother John Fau (Elk Grove Village, Ill.); 1 grandson also survives. He was preceeded in death by 1 brother Laddie Fau. Funeral Services will be held at 1:00 p.m. Wednesday, May 10 at the Strang Funeral Home, Antioch, Ill. Interment will be private. Friends may call at the funeral home after 3:00 p.m. Tuesday.

MR. JOHN MALLAK - 92 Years Old of Beachwood Subdivision near Antioch, Illinois passed away on Friday May 5th at the Lake County Nursing Home at Libertyville. He was born on November 6, 1879 in Chicago, then moved to Antioch in 1948, and to Libertyville 4½ years ago. He holds membership in St. Peter's Church at Antioch and the International Association of Machinist Union Local No. 126 (Bellwood, Ill.) - He had worked for Cuneo Press and formerly for Pennoye Merchants Transfer Co. as a machinist retiring 17 years ago. He married Julia Click on June 9, 1902 in Chicago and she passed away on April 1, 1965.

Survivors are 1 daughter Mrs. Marie Novak (Antioch) 2 sons Henry G. Mallak (Chicago) and Joseph W. Mallak (Antioch) - 13 grandchildren.

A funeral mass was held on Monday, May 8th at St. Peter's Catholic Church in Antioch. Interment was in Mt. Carmel Cemetery.

MR. THADDEUS "TED" A. KUCIA - 54 Years Old of 3212 W. Cermak Road - Chicago, Ill. passed away on Tuesday May 2nd in St. Anthony's Hospital in Chicago. He had resided all of his life in Chicago but had spent his summers here in Antioch for the past 7 years. He holds membership in St. Peter's Church in Antioch and St. Casimers Council of the Knights of Columbus. He had been employed as traffic engineer with the Cook County Highway Department and is the former owner of Lawndale Flower Shop. He married Eleanor Pierog on February 19, 1938 in Chicago.

Survivors are his wife Eleanor - 2 sons Dennis R. Kucia (Cicero, Illinois) - Larry Kucia (Newport News, West Virginia) - 2 daughters Miss Karyn Kucia (Chicago) - Miss Sandra Kucia (Antioch) - his mother Mrs. Rose Kucia (Chicago) - 2 sisters Mrs. Veronica (Joseph) Dvorak (Clarendon Hills, Ill.) - Mrs. Violet (Paul) Springman (Brownsville, Texas) - 3 brothers Stanley Kucia (Cicero, Ill.) - Bernie Kucia (DesPlaines, Ill.) - Raymond Kucia (Lisle, Ill.) - 6 grandchildren.

A funeral mass was held on Friday May 5th at St. Peter's Church in Antioch. Interment will be in Mt. Carmel Cemetery - Antioch, Illinois.

Meet S.P.R.E.D.

"I have come that they all may know the father" As Christians we strive to become united in knowing and serving the Father in and with our fellow man. However, we often overlook certain members of our Christian Community saying they are "unable to know God" or "they are innocent and don't need to know anything about Christianity." We are referring to the mentally handicapped.

The Confraternity of Christian Doctrine has not overlooked our mentally handicapped brothers and sisters. They have organized a catechetical program called SPRED (Special Religious Education Division) to serve the mentally handicapped.

The aim of the program is to create a religious experience for those unable to dwell on the Word of God in any abstract way. This Christian Community atmosphere is created by adult Christians, working together with the

retarded children and adult of all faiths.

If you have any questions or interest at this point, feel free to call Marion Pechousek, 395-1465, Pat Stagg, 356-7910 or Nancy Benton 546-1155.

Christian Science Churches

In Matthew 9 we read of Jesus' healing of the blind men because they had faith that the healing could be accomplished. The understanding of man's perfection will be brought out this Sunday at Churches of Christ, Scientist in the Bible Lesson-Sermon on "Mortals and Immortals".

From Science and Health with Key to the Scriptures by Mary Baker Eddy this citation will be read: "Is it not a species of infidelity to believe that so great a work as the Messiah's was done for himself or for God, who needed no help from Jesus' example to preserve the eternal harmony? But mortals did need this help, and Jesus pointed the way for them."

Services at First Church of Christ, Scientist, BEACON HILL, Rte 173 & Harden, Antioch, Illinois begin at 11 a.m. They are conducted by Mrs. Evelyn Greer, First Reader, and Mrs. Mary Adams, Second Reader.

The Bible reminds us "He that walketh with wise men shall be wise: but a companion of fools shall be destroyed."

OTTO BERTSCHI ON CHRISTIAN SCIENCE BOARD

News of special interest to Christian Scientists and others in our community is the announcement made today by The Christian Science Board of Directors that Otto Bertschi, Christian Science practitioner and teacher from Zurich Switzerland, will succeed Board member Clayton Bion Craig of Boston, Massachusetts, who has given more than 23 years of active service on The Christian Science Board of Directors.

Mr. Bertschi, who has frequently lectured in this and surrounding communities, is a native of Zurich, and the first individual from overseas to become a Director of The Mother Church, The First Church of Christ, Scientist, in Boston.

The newly expanded Christian Science Center in Boston came into being as a result of Mr. Craig's leadership and planning in the

development of the Center, as well as the extension of the copyright of the Christian Science textbook, Science and Health with Key to the Scriptures by Mary Baker Eddy.

Mr. Craig will also be remembered for his work in bringing about legal recognition of the healing practice of Christian Science in the State of Ohio. He has been in Illinois many times as a Christian Science lecturer and as a Director of The Mother Church.

Mr. Bertschi has also been very active in the Christian Science movement, not only as a lecturer, but as an authorized teacher of Christian Science and a Committee on Publication. Born in Zurich, Mr. Bertschi is a graduate of the Winterthur Institute of Technology. He worked for four years as an electrical engineer in the United States before returning to Switzerland to take a position with the Society of Swiss Machine Manufacturers.

His entire family became interested in Christian Science through a remarkable healing in his infancy. His father was one of the early workers in the Christian Science movement in Zurich. Mr. Bertschi joined the Mother Church in 1932 and received Primary class instruction in 1936. He has been in the public practice of Christian Science for many years.

The many friends of Mr. Bertschi and Mr. Craig throughout Illinois will find this announcement of great interest. Mr. Craig's resignation takes effect on April 30.

Successful Bake Sale for Newcomers

ASPARAGUS QUICHE

Crust
 1/2 cup enriched corn meal
 1/2 teas. salt
 4-5 tble. cold water

Filling
 1/4 lb. grated Swiss Cheese
 8 asparagus spears - cut in
 1/2" pieces, cooked and
 drained
 1/2 teas. salt
 Dash pepper

1/4 cup sifted flour
 1/3 cup shortening
 1/4 lb. Canadian bacon, chopped
 1 1/2 cups light cream or
 half and half
 Dash nutmeg
 3 Eggs

Heat oven to very hot (450 degrees). For crust, sift together corn meal, flour and salt. Cut in shortening until mixture resembles coarse crumbs. Add water, a tablespoon at a time, stirring lightly with fork until dough holds together. Form into ball; roll out on lightly floured board or canvas to form 13" circle. Fit into 9" pie plate; trim; flute.

For filling, sprinkle cheese over bottom of unbaked pie shell. Brown bacon in small amount of hot shortening; drain and sprinkle over cheese. Top with asparagus. Beat together cream, salt, nutmeg, pepper and eggs. Pour over cheese mixture.

Bake 10 minutes. Lower oven temperature to moderate (350 degrees); bake an additional 30-35 minutes or until silver knife inserted 1 inch from edge comes out clean. Let stand at least 10 minutes before serving.

Tiny wedges of quiche may be served as hors d'oeuvres, or the pie may serve as luncheon or supper main dish. We recommend a luncheon menu of Asparagus Quiche, crisp green salad continentaly dressed with oil and vinegar, a light white wine if you desire, and a fresh fruit dessert.

This recipe came from the Quaker Oats Test Kitchens. We thought it looked tasty especially since the new crop of asparagus will be coming in soon.

Helpful hints

Green Thumb Tips

Latest research shows that seeds of all types of petunias need light in order to sprout.

Since most other kinds of seeds sprout well in darkness, this news may explain why some gardeners report difficulty in growing petunias from seeds.

The bush form of summer squash is a favorite with the home gardener because it takes so much less room in the gar-

den than the vine type. Now there's also a bush form of pumpkin which bears full-sized, smooth, round fruits, to 10 inches in diameter.

Probably the most fascinating crop for a child to grow is peanuts because flowers bend over and bury themselves underground where the "nuts" grow.

A fast-maturing variety like NC-17 will produce even in most Northern states where the season is short.

Make certain that the peanuts planted are raw, not roasted.

Shell nuts, plant 8 to 10 inches apart in rows 2 1/2 to 3 feet apart. Cover with 2 inches of soil, preferably sandy.

Cultivate as needed, dig before frost and hang vines in an airy place to cure.

Saturdays Bake Sale of the Antioch Welcome Wagon Newcomers Club was a success. All of the proceeds were donated to the Antioch Rescue Squad. The club officers and members want to thank everyone who donated baked goods and helped make the bake sale a success.

As the Newcomers Club is a new club in the Antioch Community, this was their first attempt at doing a charitable service for the community. Since the bake sale went so well they are planning other community projects for the future and hope they are as successful as the bake sale was.

Antioch Welcome Wagon Newcomers Club, Civic and Welfare Chairman, Mrs. Lillian Nannini presents \$75.00 check to Rescue Squad Treasurer James Bloss following bake sale held May 6th. Mrs. Lois Matthews, President of the group is at left. (Staff Photo)

81.2 million, seasonally adjusted, the largest monthly gain since June 1967. The overall unemployment rate was 5.9 percent in March, slightly higher than the 5.7 percent in February.

Facts supplied by individuals participating in this voluntary survey are kept strictly confidential and results are used only to compile statistical totals.

With a Stern Eye

by Grace Mary Stern

"What happened to your sassy Democrats?" asked a friend, leering ever so suggestively. "I thought you told me they were going to put a new face on Lake County government. You said it was going to be a whole new ball-game, Grace. Remember? This morning's fiasco looked to me like business-as-usual."

Talk about hitting a fellow when he was down! That's how the whole day went on May 1st. The election of the County Board chairman seemed to bring out the latent sadism in everyone I encountered. And I could only nod miserably. Our penny bright, shiny, scrubbed new contingent of nine Democrats had apparently turned to dross before my eyes.

And yet it's not so simple. And of all the observers and critics, I should have known it. How well I remember from my own Board Tenure, the terrible pressures, the advisors -- friendly and hostile -- who spoke with such assurance of 'the facts'.

There can be no question that the folks at our house wanted them to vote differently than they ultimately did (8 for Coles, 1 for Morrison). "I had hoped we could really carve out a reputation for integrity -- that we could put our party and our people on the side of good government," sighed my wounded husband.

As chairman of the Lake County Central Committee he was, presumably, in a position to 'control' those votes. But you don't control Lake County Democrats; they are a hardy and prickly breed, accustomed to going their own way, evaluating their own 'facts' and coming to their own conclusions. And so they should.

And they did. He counseled

and advised. He phoned and harassed -- like a friendly father. We suggested this alternative and that. But in the last analysis each of those nine members -- two incumbent and seven brand new -- had to make their own decisions. And like proper adults, they did.

On Saturday afternoon, having stuck together as an uncommitted monolith until two days before the election, they met once more. And with them at that meeting were Coles, Robin, Murrie and Helen Amendola, making up the magic number of thirteen. It was no bizarre coincidence that thirteen votes were needed to elect the chairman whomever he might be. Before the day was over, they had committed themselves first to Peers who turned out to be unacceptable to several of four bedfellows -- and eventually to Coles.

"We will be able to watch-dog everything, Grace," said one of them to me afterward, by way of explanation. "We are Coles majority." But will they know what they're watching, I wondered. "We will be in a position of control. Don't worry." But I did, just the same.

Had my old friend, Frank Peers, been simply a stalking horse for Coles, holding the Democrats together until the right time? I knew even on May 1st -- and his appointments since have corroborated it -- that he would be a fine Forest Preserve President. But the whole scent of a pre-set deal was noxious.

"You'll see, Grace. Ron wants to work for Unity on the Board. And we feel the same way. It's not the same old wheeling and dealing you talk about. We'll see to it, I promise you." These new Board members are eager to prove their independence and idealism, despite appearances.

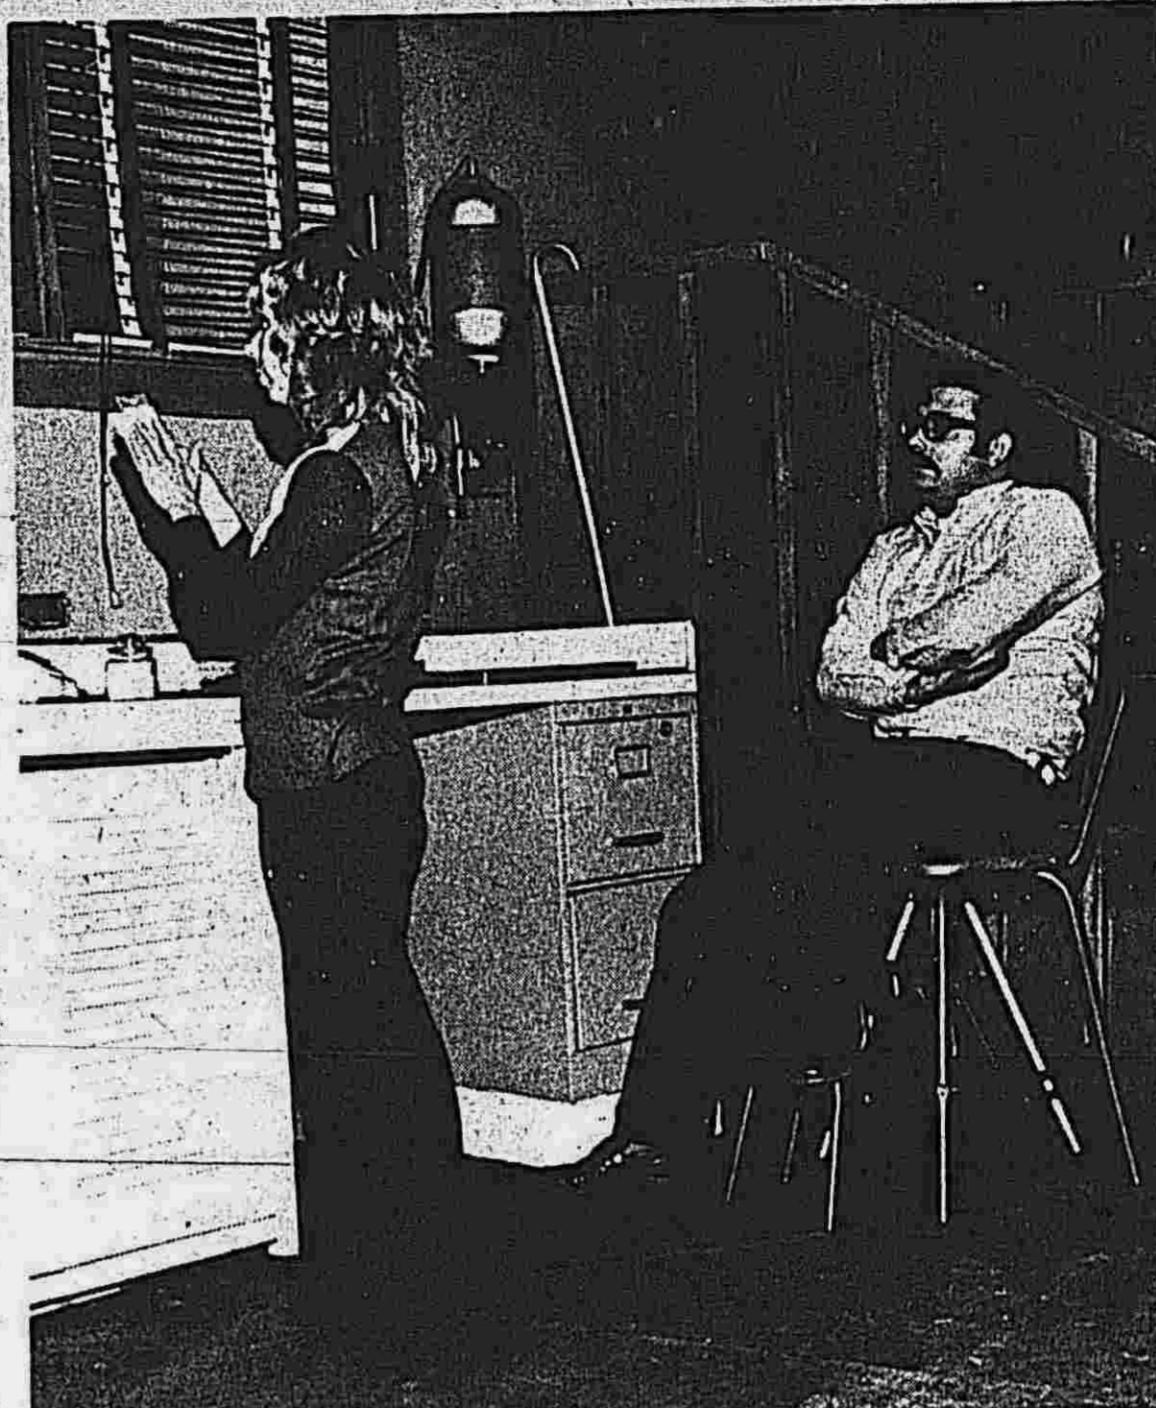

Through the course of the past couple of weeks, all that the newly elected have heard are stories from the past -- tales of this or that fast buck scheme, this or that suspicious situation. History, insofar as it deals with personalities no longer on the Board, is irrelevant to them, and those who spent their time telling it and re-telling it, lost important ground in the campaign for chairman. It is NOW that interests the neophytes -- NOW what are we going to do about Zoning; NOW what are our programs and priorities for Lake County.

The appointments made by Chairman Ron Coles to such committees as the ones on Rules and Priorities indicate some willingness to work out

differences. Some of the old Courthouse hands are even suggesting that since his 'Cabinet' of perfidious old pals was not reelected (most of them), he may even be able to work out a progressive program for that 'twenty five million dollar corporation' he heads.

Will it be possible for him to bury old differences (Geary, Graham, Maxey, etc.) and to reconcile new opponents? Bertha Ogrin, the only Democrat to vote against him, showed great courage in the circumstances.

There will be a lot of us watchdogs alert in the kennel.

Two More Weekends For PM&L Theatre

"Wait Until Dark"

There are two more weekends to attend PM & L's production of the mystery drama "WAIT UNTIL DARK" at the PM & L Theatre, 877 Main St., Antioch. Dates are Friday and Saturday nights, May 12, 13, 19 and 20. Curtain time is 8:30 p.m.

Dena Fabry from Lindenhurst is most convincing as she plays the role of the blind girl Susie Hendrix. Nick Baldassano from Lake Villa is Sam Hendrix and although his presence on stage is very short the audience is convinced that he is trying to encourage his wife to be "the world's champion blind woman".

The three villains of the play are each crooks of different personalities. Two are con artists just released from prison who play their own professional game. Tony Aird from Round Lake Beach plays Mike Talman who would drop in on a housewife when she was alone and pretend to be an old friend of her husbands. Manny Silverstein from Ingleside plays Sgt. Carline -- the other man who would turn up later as a police detective.

Harry Roat, Jr. and Sr., played by director Don Beveroth from Paddock Lake, Wis., is the third crook and the mastermind of the three. Clever and cruel -- he will stop at nothing to gain his evil ends.

They say that children have a way of stealing the whole show and Susie Dyer from Antioch as Gloria threatens to do just this. She is a ten year old with much stage presence, a clear piping voice, and the air that she knows exactly what she is doing.

Call 395-9702 for reservations. Enjoy an evening of suspense which begins the

Pictured in rehearsal for WAIT UNTIL DARK, are Dena Fabry from Lindenhurst as Susie Hendrix, the blind wife of Sam Hendrix, played by Nick Baldassano from Lake Villa. (staff photo)

minute the curtain opens on a darkened stage with the stealthy opening of a door and you see.....

BASIC WRITING WORKSHOP AT BARAT COLLEGE

An eight week summer workshop on BASIC WRITING FOR MASS MEDIA, scheduled for June 27 through August 17, was designed for area high school juniors and seniors seeking college credit, according to an announcement by Barat College, Lake Forest, Illinois.

Workshop sessions, 2½ hours each, will meet on Tuesday and Thursday mornings from 9:30 a.m. to noon during the eight weeks.

At least ten of the sixteen sessions will be devoted to writing on the spot to fulfill assignments geared to give practice in narration, description and exposition.

George Heitz of the Medill School of Journalism, Northwestern University will run the workshop which is limited to 20 students. Should demand for the workshop require it, Barat College will open a second section for an additional 20 students.

While high school juniors and seniors are preferred, college students, home for the summer, are eligible to enroll.

The workshop earns three units of college credit. To register, send a letter of application plus a \$50.00 deposit, to Barat College Registrar, 700 E. Westleigh Road, Lake Forest, Illinois 60045.

YOUR CAT

By: Raymond A. Minor, D.V.M.
Manager of Veterinarian Services
Norden Laboratories

How much your cat drinks and how often he gets outside could have a distinct bearing on his health. These are two of the facts most cat owners don't know about the most serious (and one of the most common) illness affecting their pet today - cystitis.

Cystitis is a general term used to describe all urinary tract problems. The signs of trouble are unmistakable:

- A housebroken cat that suddenly changes its habits and urinates in a bathtub, on the floor, or in a sink.

- Frequent urination in small quantities, or attempts to urinate that result in nothing or in just a few drops.

- Traces of blood in the urine, which may be accompanied by a strong ammonia-like smell.

- Listlessness and poor appetite and/or excessive thirst.

In serious cases, the urethra becomes blocked by "stones" and the cat cannot urinate. The result is uremic poisoning. Coma, convulsions and death will follow in about 48 hours unless the cat receives emergency veterinary aid.

The exact cause of cystitis is still a mystery. Bacteria, diet, metabolic imbalance, and recently a virus, have all been incriminated, but to date there

is not conclusive evidence that any of these is the primary causative agent.

We do know, however, that there are certain factors that predispose a cat to cystitis. Chief among them is the forced holding of urine in the bladder. This usually happens when the cat spends long hours shut in the house with no one around.

Another important factor is drinking water. Some owners believe that cats do not need much water, but this isn't true. Cats will drink only fresh, clean water, and I always recommend that their drinking pans be cleaned at least twice a day.

Diet is also a factor. Canned fish foods or cheap canned meat foods contain large amounts of ash, which must be excreted in urine and may cause stones. Vitamin deficiencies can also weaken the cat's resistance to infection, as can cold, dampness and a struggle for survival.

Castration is also contributory to cystitis, especially when done at an early age.

There is something else about cystitis that every cat owner should know: it is a chronic disease, and relapses do occur. But with proper care and feeding, the possibility of future attacks can be lessened.

At the first signs of the disease, the owner should take the cat to the veterinarian. When early treatment is sought, 98 percent of the cases can be controlled in time. But the real job of keeping the cat healthy belongs to the owner.

The owner must follow the veterinarian's instructions closely, while keeping an eye out for new symptoms in the cat.

This means making sure the cat is urinating, giving it the prescribed medicines, and protecting it from stressful situations, which could bring on another attack.

It also means following the

The Trevor Social Center Association will celebrate its 50th anniversary on May 20, 1972 at its hall at Trevor, Wisconsin. The celebration festivities will consist of entertainment, card games, and a Pot Luck supper.

The Social Center, a non-profit organization, was founded in May 1922, by Charles H. Oetting, Fred J. Meyer, and L.H. Mickle of Trevor. The purpose of the association was to promote amusement and entertainment for the membership and the general public, provide a meeting place for other organizations as well as a place to hold the local school

The association was organized as a stock company and shares were sold at \$10.00 per share to interested participants. At the inception of the center, fifty-two citizens became members by virtue of

their stock purchases.

The land was purchased from George and Luana Patrick for \$150.00. Later an additional six lots were purchased from them for parking and a play area for the children of the community. A baseball diamond with a back stop was laid out for the children and is still in use today.

The original building was built from two government barracks which were purchased from Great Lakes Naval Station for the sum of \$200.00. Some of the local stockholders helped dismantle them and haul them to the present location. A pot-belly stove was used for many years to heat the building. The present kitchen and bathroom facilities with a basement and furnace were added in the middle forties.

As the years passed, more members were added to the rolls. There were no monthly or annual dues levied on the membership. Money to finance the operation was raised thru card parties, dances, variety shows, bake sales, carnivals, auctions, hall rentals, and contributions. During the second World War when meat was rationed, a steer was auctioned at one of the sales to raise money for the organization. At one time the available funds were so low that several of the stockholders donated \$5.00 each in order to meet the insurance premium on the property.

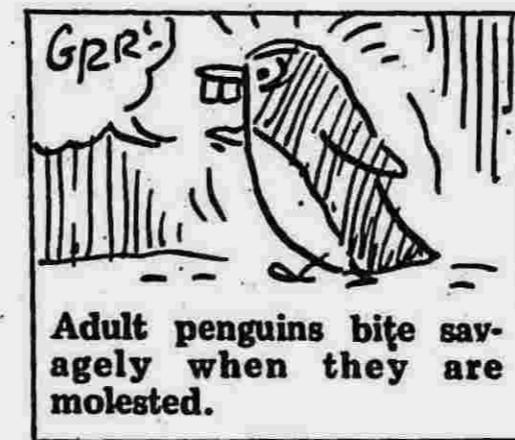

In the twenties when

automobiles were a rarity, the center afforded entertainment and amusement to the local people. On Saturday night, card games and bunco were played and refreshments were served. The whole family attended and young and old alike had a good time. The younger generation learned to waltz, fox trot, and Square dance to the tune of the piano and the proverbial fiddler. The local school always used the hall for the Annual Christmas program until they had a stage of their own. In 1952 when the school was building their first addition, two class rooms were set up in the hall. It was used for Sunday school in the twenties and thirties. Churches of many different faiths have used the building for their services.

Today the center sponsors card parties every Saturday night and every second and fourth Thursday of the month, at noon. Besides Trevor, the participants come from Waukegan, Libertyville, Grays Lake, Richmond, Silver Lake, Lake Geneva and Antioch. Togetherness and sociability prevail at these parties.

The present officers of the association are Madams Edith Elms, president; Elsi Mattis, Vice President; Elva Motta, Secretary; Marie Axtell, Treasurer, and Francis LaMeer and Marion Garrett, Directors.

Charles Oetting, Fred Meyer and L.H. Mickle pioneers of the association will long be remembered by those who participated in the entertainment activities at the center.

Adult penguins bite savagely when they are molested.

veterinarian's diet instructions. The wrong foods can aggravate the cat's condition.

Once the owner knows what to do, I think a cat that has been safely pulled-through an acute attack of cystitis has a good chance of leading a happy full-term life.

Bank Program Dramatizes Plight Of Endangered Animals

The State Bank of Antioch has announced a special offer on a new series of checks that illustrates the necessity of preserving our natural wildlife and ecology.

The new "National Wildlife" checks feature five species of America's endangered animals and birds, each of which is portrayed in a four color layout, pictured in the animal's natural habitat.

The animals, an American

Bison, Key Deer, Whooping Crane, Mountain Lion and Bald Eagle, all have been listed by the government as being near extinction.

For every order of Wildlife checks on an existing or newly opened checking account, the State Bank will contribute \$1.00 to the Illinois Branch of the National Wildlife Federation.

William Brook, State Bank

Javits Feature Speaker at IASB Conference

U. S. Senator Jacob Javits (Rep-New York) will be the featured speaker at the annual spring conference of the Tri-County Division of the Illinois Association of School Boards.

The conference is set for 6:00 p.m., Wednesday, May 10, at McCormick Place. More

than 1,000 school board members and school administrators from Cook, Lake, and DuPage counties will attend.

Javits, a member of the Senate Education Committee, will speak following a dinner meeting that is scheduled to include reports on the

President, stated, "we hope our contribution will help in a small way in the fight for the preservation of our National wildlife and ecology. The use of these checks will bring about an awareness of the gravity of this situation to the people of the area and give them a chance to take part in the struggle for a better environment."

statewide outlook for public education.

Following the dinner meeting, participants will have a choice of seven separate discussion groups to attend. One of the groups is designed for newly-elected school board members. The others will deal with collective bargaining, the legislative process, the credibility gap in education, trends in secondary education, the state's role in school finance, and reports of the Illinois School Problems Commission.

JUDITH HINS MEMORIAL CONSERVATION SCHOLARSHIP

The Northeast Illinois Natural Resource Service Center is once again offering the Judith Hins Memorial Conservation Scholarship. The scholarship will pay the entire cost of tuition, plus room and board, for a high school GIRL (preferably a Junior or Senior) living within the Resource Service Center area to attend a week-long Conservation Workshop. Workshops are being offered at five locations this summer and are sponsored by the Illinois Department of Public Instruction, Division of Conservation Education.

Interested students should contact the Resource Service

Center via the Lake and North Cook County Soil and Water Conservation District, P.O. Box 555, Route No. 12 and South Old Rand Road, Lake Zurich, Illinois 60047. The District will present one girl to represent their District. Each candidate is asked to state (in letter form) their interest in attending a workshop, age, phone number, address, school grade level, background (educational and extra curricular), and future plans in regard to the environmental and conservation fields.

Applications should be made immediately as the workshops are often filled early in the season.

Lyons-Ryan Salesmen Honored

will be presented a club membership award for "excellent retail sales performance."

The 300-500 club was founded in 1950 to recognize the performance of outstanding Ford salesmen throughout the country.

Mr. Stevenson said the average 300-500 Club member sold nearly \$750,000 worth of automotive merchandise in 1971 to qualify for the national honor.

The men are: John U. Uedell, Edward R. Rouzan, Pat Ryan and Ken G. Torkelson.

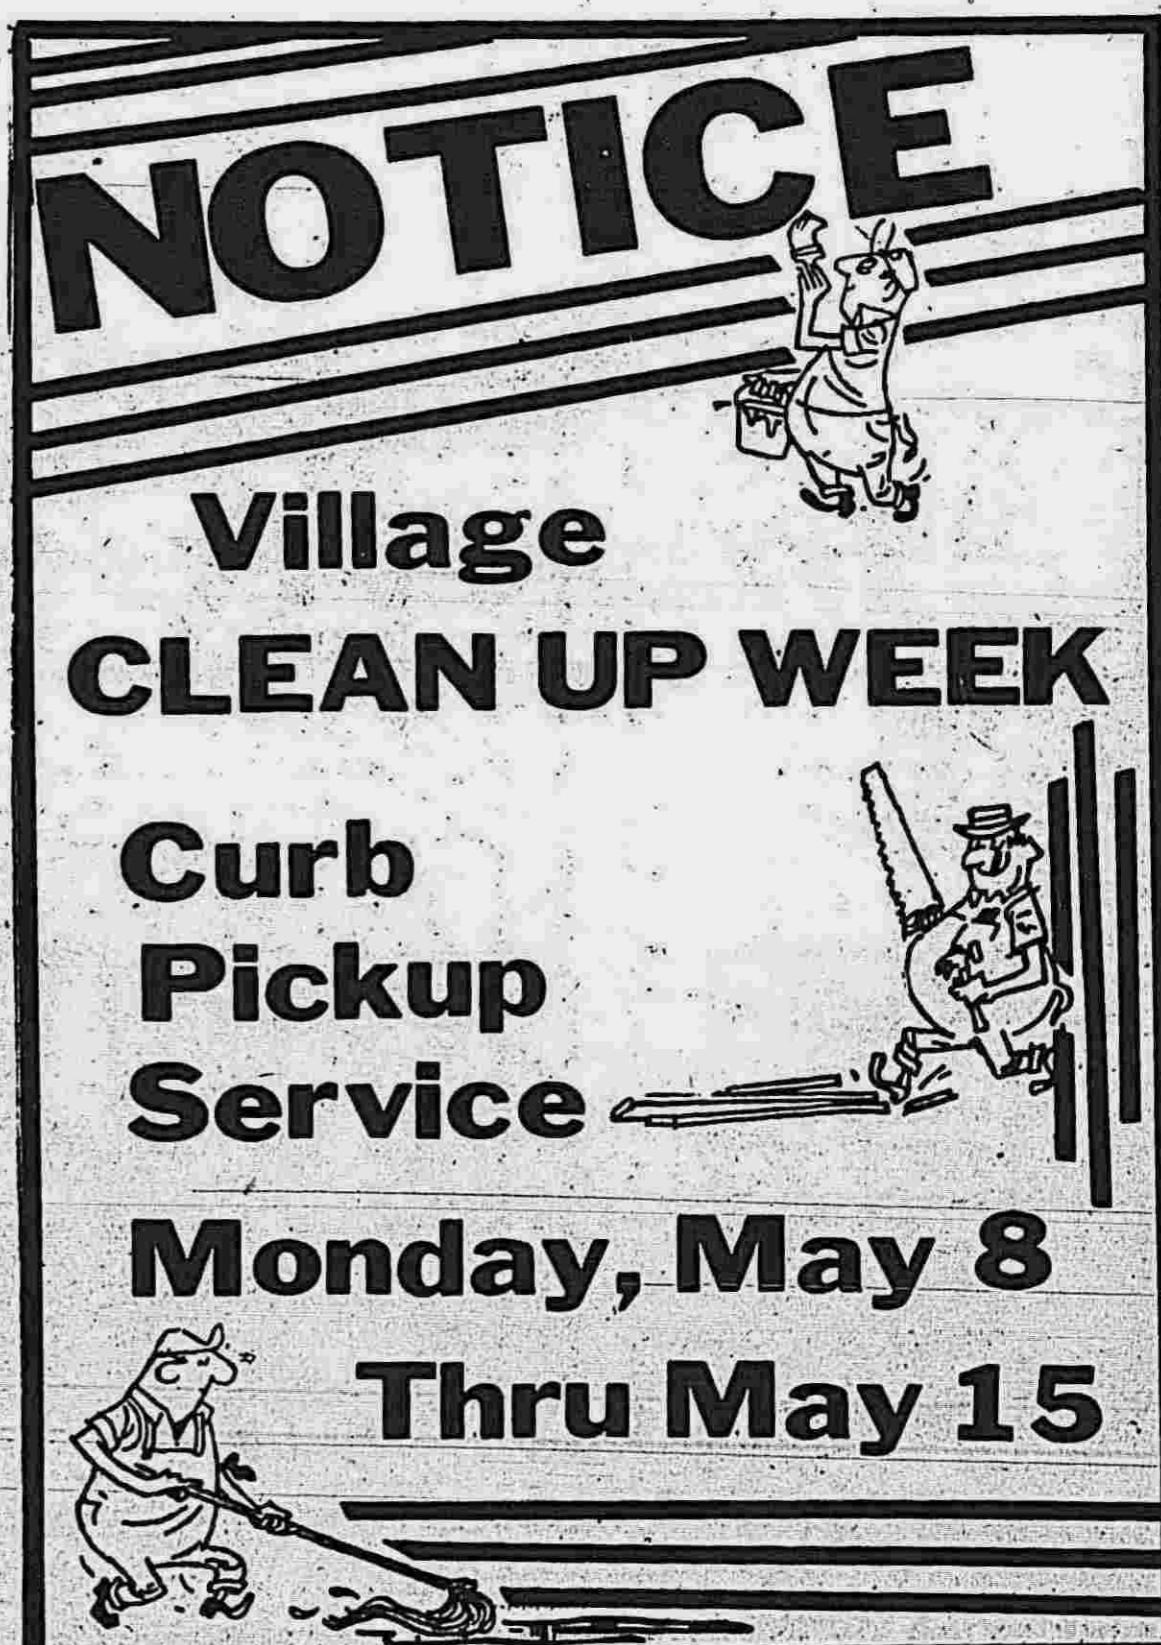

HORSE SHOW FOR CEREBRAL PALSY

The Illinois Western Horse and Pony Association is sponsoring its Second Annual Horse Show for United Cerebral Palsy of Illinois.

The show, which includes 48 classes, featuring barrel races, flag races and pleasure stakes, will be held May 27 and 28 at the Coliseum on the state fair grounds in Springfield.

Tickets for the two-day show are available at \$1.50 for adults and 75 cents for children under 12.

Cerebral Palsy is a condition which affects the motor and nervous systems of the body.

MICHAEL A. BAILEY

Michael A. Bailey, freshman at Augustana College, Rock Island, has been elected to membership in Akros, men's honor society.

To be eligible for nomination, a student must have achieved a grade point average of 3.25 or better for one quarter of the freshman year.

Bailey is the son of Mrs. Harriet J. Bailey, Lake Villa.

SEAMAN

MICHAEL L. CLARK

Navy Seaman Recruit Michael L. Clark, son of Mrs. Ida L. Clark of Antioch, Illinois graduated from recruit training at the Naval Training Center in Great Lakes, Ill.

A 1970 graduate of Antioch High School, Antioch, Ill., he is scheduled to report to Machinist Mate "A" School at Great Lakes, Ill.

Bruce W. Carlson, freshman at Augustana College, Rock Island, has been elected to membership in Akros, men's honor society.

To be eligible for nomination, a student must have achieved a grade point average of 3.25 or better for one quarter of the freshman year.

Carlson is the son of Mr. and Mrs. Walter H. Carlson, 343 Cedarwood Lane, Antioch.

PETTY OFFICER - JAMES M. GRUBBS

Navy Petty Officer Third Class James M. Grubbs husband of the former Miss Karen S. Swim of Route 1 Antioch, Illinois has arrived in his new homeport, Long Beach California aboard the newest destroyer escort, the USS

Cook. His ship was commissioned in Boston in December and visited Guantanamo Bay, Jamaica, Brazil, Argentina, Chile and Acapulco during its long journey around the horn to Long Beach.

GALENA PLANS OPEN HOUSE

Underground catacombs dug a century ago to age beer are now the baronial dining hall the The Brewery in Galena, Illinois, one of five private homes open to the public June 10-11 during the fifth annual June Open House sponsored by the Galena Historical Society. This studio-home is a foil for an antique sculpture of dramatic proportion.

Percy Blood Donation To Launch Statewide Drive

Monday, May 8, at 8 a.m.

IHA is sponsoring the blood drive in its 300 member hospitals across the state in conjunction with National

Hospital Week, May 7-13. The theme for NHW this year is "We Want You. . . In the Picture of Health."

"Donating blood is one of the most meaningful ways Illinois citizens can get involved in the health care picture," said David M. Kinzer, IHA executive vice president, "and we are hopeful that local blood drive programs carried out during National Hospital Week will be continued year round."

The recent wave of publicity on the dangers of hepatitis-infected blood from paid donors has brought the need for more voluntary donor blood with a low risk of infection to the forefront of public attention. As a followup, we must get citizens

to act," Kinzer added.

"Nationally, only three percent of the population donates blood," Kinzer said, "and in Illinois, hospitals have reported a 22.1 percent increase since 1967 in the need for blood."

Hospitals across the state will be conducting a wide-range of activities in recognition of National Hospital Week. Projects related to the IHA Illinois blood drive will include supplying information on blood procurement to schools and civic organizations, compiling rosters of standby donors for use in an emergency, and obtaining citizen pledges to donate later. National Hospital Week had its beginnings in 1921 when the American Hospital Association designated National Hospital Day as May 12, Florence Nightingale's birthday. In 1953 it was extended to a week-long observance incorporating that date.

Loyal Order Of Moose Installs New Officers

The Loyal Order of Moose held their Installation of New Officers on Saturday, April 29th at 8:00 P.M. We had the honor of having Pilgrim Brother Marvin Kaus, Regional Director of the Illinois State Moose Association as Installing Officer. The following Collegians of the Women of the Moose acted as escorts for the New Officers, Collegian Chairman Shirley Gehrls, Collegian Jerri Polson, Collegian Harriet Grewe, Collegian Alice Young, Collegian Gert Good, and Collegian Geri Mark. Serving as pianist for the Installation was Collegian Gladys Schroeder. Acting as Installing Sergeant at Arms was Brother Henry Grewe. Brother Roger Murphy was the official photographer for the evening.

During the Installation

Ceremony Brother Lester Sperling was presented with his 125 member pin by the newly installed Governor, Brother John Dupre. We are all very proud of Brother Sperling for his contribution to the building up of our membership.

The Installation was a solemn, beautiful and regal ceremony of which all can be proud. Brother Ronald Polson deserves sincere appreciation from all the Brothers, Co-workers, and Guests for his organization and planning of the ceremony. After the Installation ceremony a buffet was served by the Officers of the Women of the Moose, thanks to all of you. We then had the pleasure of dancing to the music provided by the Kishs. The evening was a huge success and enjoyed by everyone.

Antioch's varsity track squad remained in the thick of the conference race by winning one meet and finishing high up in two others during the past week.

Coach Gerry Sandberg said he was pleased with the results, but that the team faced a "stiff challenge" for the conference title from Lake Forest.

He added that the weather was hampering his teams chances. Workouts have been difficult because of the unusually rainy spring.

On Monday, May 1st, the Sequoits placed second behind the front running Lake Forest squad in a triangular meet held at the north shore school. Non-conference Glenbrook South was the third entrant.

Sequoit first place finishers included Bob Becvar in the low hurdles, Reed Ano in the high jump, Pat Michalak in the high hurdles and Gary Mandehr in the mile (4:27).

In distance events the mile relay team won a second as did Tim O'Neill in the 880.

Other second place finishers included Rick Simon in the 100 yard dash, Mark Andrews in the long jump, Pat Michalak in the high jump, John Cook in the pole vault and Steve Peterson in the shot put.

Individuals gaining third place finishes were Bob Becvar in the high hurdles, Michalak in the low hurdles, Simon in the 220, Brad Fortney in the shot put, and Steve Peterson in the discus.

The Sequoits cindermen were victorious in the McHenry triangular held Thursday, May

4th. Point totals were: Antioch 72 - Zion Benton 57 - and

McHenry 30.

First place finishers were Michalak in both the high and low hurdles, Mandehr in the mile and 880, Gary Weiss in the 440, Simon in the 100 yard dash, Andrews in the long jump and Reed Ano in the high jump. The mile relay team was also victorious.

Those gaining seconds were Simon in the 220, Bob Becvar in the high hurdles, Steve Peterson in the discus, Michalak in the high jump, and John Cook in the pole vault. The 880 yard relay team also gained a second place finish.

In third place finishes Becvar won the 180 yard hurdles, Paul Dodd in the two mile run, Bailey in the 220 and Steve Peterson in the shot.

Reed Ano gained a fourth in the 100 yard dash, as did Brad Fortney in the shot put to round out the teams point getters.

Antioch gave a good

accounting of itself in the county meet held Saturday, May 6th at Libertyville. The Sequoits beat out all conference rivals in placing 6th of 16 entrants.

Sole first place winner for Antioch was Gary Mandehr. The senior long distance runner won both the mile and the 880 yard run. In the latter he tied a county record.

Rick Simon gained a fifth place finish in the 220 for the next highest Sequoit finisher. The 880 yard relay team of Bob Bailey, Pat Michalak, Rick Simon and Reed Ano also drew a fifth.

In the sixth place category

Bob Becvar gained his berth in high hurdles. Also finishing sixth were Tim O'Neill in the 880, Michalak in the 180 yard low hurdles and Reed Ano in the high jump. The mile relay team also finished sixth.

SPORTS

WILMOT TRACK OPENS MAY 20

A surprise announcement came this week following a meeting between the Kenosha County Fair Association and the Wilmot High School Board that will see the season of supermodified and stock car racing start one week earlier than had been previously announced for the Kenosha County Speedway in Wilmot. However, the new date of Saturday, May 20, will be on the old track which was to have closed last fall following a sale of the property to the School Board.

A new track is under construction and it had been

hoped that the later date of May 27 might see the new track ready for the first race of 1972 with the old track being a backup in the event the new track was not ready. The continued poor drying weather had made construction work on anything but rest room facilities nearly impossible throughout the week and so the meeting was called and a decision reached to move up the date by one week since there was no longer a chance of the May 27 date on the new track.

The opening date of May 20 will mark the fifth year of the

Interstates Racing Association which concluded its most successful and a near perfect season at Wilmot last year. The only date of the season that was cancelled due to the rain was the last of the year and that date carried a rain date with the race getting off on Monday Labor Day.

Following the Saturday night opening at Wilmot, IRA will move to Sunday night racing at the Lake Geneva Raceway. An earlier series of dates planned for the Santa Fe Speedway in Willow Springs was later cancelled and the group is presently seeking other tracks for mid-week racing.

Rain Hits Geneva Stocks For 5th Saturday

Light but race damaging rains postponed the Four Star Four Feature Stock car races at the Lake Geneva Raceway for the fifth time out of seven Saturdays on May 6.

The Sunday rain date was not a safe bet either as the continuing rains cancelled the drag races set there for Sunday morning and afternoon.

Several new cars were on hand as the tempo of activity reflected the recent announcement that the Interstates Racing Association would start in Wilmot one week earlier on May 20.

USAC late model stock car driver Bay Darnell and many other drivers were on hand when the rain started. He would have been making his return to short track modified stock car competition in a car sponsored by Trailer Train of Chicago and owned by Judy and Joe Kristan of North Chicago.

Also set for first time running this season was Denny McKay in the new Randy Marescalco super from Kenosha. Roger Isles, Waukegan, had his new super out for the first time too.

Although Darnell will not make it back for the May 13 race because of a USAC stock car date in Ohio, he will race on the opening week end dates for the Interstates Racing Association at Wilmot on May 20 and at the Lake Geneva Raceway on May 21. He will be doing a lot of extra driving off the track on these dates though to make these dates. Saturday, before the Wilmot race, he will qualify his late model at Kukauna and then race there on Sunday afternoon before the IRA races at Lake Geneva. His busy travel between these three tracks indicates his high interest in returning to the short track modified racing.

This coming Saturday night, May 13 at the Lake Geneva Raceway, HATO Racing will present a first in a match race between the fastest qualified late model and the closest comparable qualified modified.

New Abbey Springs Golf Course

A heavily-wooded hillside, gently sloping down 100 feet to the shores of a beautiful lake is the dramatic setting for the new Abbey Springs Golf Course, scheduled to open in June in Fontana-on-the-Lake, Wisconsin.

The new course will be the setting for the Sixth Annual Charmglow Invitational Celebrity Pro-Am Golf Tournament on Friday, June 23. Competitors will include celebrities from the non-golf professional sports ranks; professional P.G.A. golfers; and amateurs from across the nation, including sports personalities from the Midwest

TV, radio and print media.

The tourney represents a "Preview Tournament Opening" of the Abbey Springs Golf Course. It even precedes the official grand opening celebration for the new Abbey Springs Country Club scheduled for July.

All will test their skills in this two-ball, best-ball event - the richest one-day celebrity pro-am tournament ever held anywhere in the world. Competitors will be shooting for \$35,000 in cash, prizes and gifts, with eight new cars heading the list of prizes for the day.

Among the participants will

be: Abe Gibron, Chicago Bears; Bart Starr, Green Bay Packers; George Blanda, Oakland Raiders; Wayne Mass, Miami Dolphins; Ronnie Bull, Pittsburgh Steelers; Bobby Hull, Chicago Black Hawks; Jim Foley, Milwaukee Bucks; and many others.

The participants will be ferried by boat across Lake Geneva from private cottages at George Williams College Campus to the Abbey Springs Yacht Club located just a couple of minutes' walk from the Country Club.

Frank "Biff" Pancratz, Director of Golf at Abbey Springs Country Club, has

directed the Charmglow tournament for the past five years. He said that this year's tournament at Abbey Springs will be by far the most exciting one to date because of the unique and challenging nature of the course. "Participants this year will have to play the thinking man's game," he said.

Spectators will be welcomed at the tournament, and all gate receipts this year will be presented by Charmglow to the Christian League for the Handicapped in Fontana, Wisconsin. Charmglow Products, the nation's leading manufacturers of gas lighting fixtures and gas barbecue grills, are noted for their hiring of the handicapped.

Antioch Diamond Squad Takes Double Dip

Antioch took a double dip in conference baseball play last week. The faltering Sequoits were beaten by Grayslake 3-2 and by Warren 10-5.

The first game was a true pitchers duel. Both starters, Glen Amundsen and Gary Kerns, gave strong showings, but in the end it was Kerns who got the victory. The junior struck out 13 and didn't issue a free pass.

All the Sequoit scoring occurred in the sixth, as they pushed across a deuce. With one out, second baseman Tim Mieure singled to center. Fred Popp and Greg Crutchfield followed with singles to fill the bases and put the load on the shoulders of Jim Revell. The burly catcher responded with a

sharp single to left center, scoring two. However, Kerns put the fire out and gained his third victory of the season.

On May 5th the Sequoits were felled by a five run Warren sixth inning.

Antioch jumped to a quick 4-0 lead with single runs in the first and third and two in the second. Fred Popp delivered the big hit, driving in Mark Maras and Tim Mieure with his single.

However, Warren was not to be denied as they wracked two Sequoit pitchers for ten runs and coasted to the win.

Bright spot for Antioch was Tim Mieure's 2-4 day. He also coaxed a walk from winning pitcher Ted Goraline.

Emmons Squeaks Past Milburn 5-3

Emmons School rallied for two runs in bottom half of the sixth inning to beat a stubborn Millburn team 5-3.

With one out, Ken Cash opened the decisive rally with a double to right center. Dave Lagerstrom doubled down the left field line for the go ahead tally. Lagerstrom scored one
